

# Exploring 21<sup>st</sup> Century Geography

A resource to support schools to enter the 21<sup>st</sup> century world of geography

**ATTENTION:**  
Geography/SOSE Coordinators

## The DVD contains:

- Articles and resources on 21<sup>st</sup> century geography
- GIS skills development, GIS in Physical Geography and Historical GIS books – step-by-step instructions with student activities and teacher guidelines plus supporting geographical data all supplied on the DVD.
- 21<sup>st</sup> century internet sites
- Technology in the geography classroom articles, internet sites and resources
- Inquiry project design and work samples

## How to order

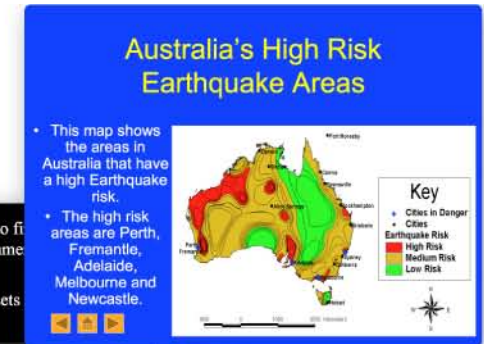

The 'Exploring 21st Century Geography' DVD containing all process sheets, student activities and examples is now available at a purchase price of \$95.00 (GST and postage included).

Purchase from AGTA's website at [www.agta.asn.au/products](http://www.agta.asn.au/products) and pay by credit card (Visa or MasterCard) or your PayPal account. Schools may purchase using an authorised purchase order.

A copy of the DVD will be promptly dispatched to you following confirmation of payment.

## Only \$95.00 for the complete resource postage included

Includes unlimited site license and copying rights in your school.

Aim: our aim is to find the most environment
