

AUSTRALIAN GEOGRAPHY TEACHERS' ASSOCIATION
LIMITED

The Australian Geography Teachers' Association Awards are presented biennially for products of Australian origin associated with the teaching of geography in schools. There are thirteen categories of awards, which include textbooks, atlases, audiovisual material, computer software, and teacher resources.

Entries are judged on the quality of the product and its contribution to geography teaching in Australia.

A citation bearing the emblem of AGTA is presented to award winners, who may display this as the association's endorsement of the product.

The AGTA 2010 Awards will be presented at the Australian Geography Teachers' Association conference at Scotch College Adelaide in January 2011.
