

Attention: Geography / SOSE Coordinator / Curriculum Leaders

Strong level of interest

The **Australian Geography Teachers Association (AGTA)** is delighted with the positive response to its call for expressions of interest to attend the AGTA 2015 Conference from 11-16 January 2015 in Rotorua, New Zealand. A wide range of workshops have already been offered to support the teaching of the **Australia Curriculum: Geography**. The conference is also being promoted to New Zealand geography teachers so it is expected that the conference will provide an excellent opportunity to share and exchange ideas with them.

Early registration incentives

There are two incentives to pay the registration fee before the **28 February 2014**. One is the offer from Group Events who are handling the conference organisation of a **free return flight to New Zealand** to attend the conference (see note ¹ below for conditions).

The second involves movements in the A\$ and NZ\$ exchange rates. Promotional material for the conference was prepared 12 months ago when the \$A was strong and the NZ\$ relatively weak (see note ² below for the change in exchange rates). Since that time, the A\$ has undergone a 15% fall in value in relation to the NZ\$. Delegates can **register for the conference at a cost of A\$990 until Friday 28 February 2014** after this the conference registration fee will be adjusted to A\$1090.

>> Register now at <http://agta.asn.au/Conferences/conf2015/registration.php>

>> Visit <http://agta.asn.au/Conferences/conf2015/index.php> for further conference information.

¹ There is no cash value and the ticket is only available for travel by the person who wins the prize and attends the conference. People eligible to enter this conference opportunity include anyone who wishes to attend and registers (eg teacher, partner or family member). All should declare their interest and will have paid their registration by 28 February 2014 to be in the draw.
